HP Color LaserJet 1600 printer

Affordable quality

- **Look like a pro.** Finally—high-quality color laser printing is affordable, easy, and designed to fit on your desk. Now you can produce business and marketing documents on your own, in professional-quality color or crisp black and white. Make a statement by adding color to high-impact documents such as brochures, sales tools, ads, and more. Integrate realistic images and photos into your business and personal documents.

- **Demand fast results.** Why wait? Print quickly, at up to 8 pages per minute (ppm) in both color and black and white. Instant-on Technology delivers the first color page in as little as 20 seconds, so you can finish entire jobs before other printers have even warmed up.

Ease of use

- **Effortlessly manage the printer and its supplies.** The HP Color LaserJet 1600 printer is incredibly easy to use and maintain. An intuitive two-line LCD control panel provides status information and alerts you to any action required. Four HP Color LaserJet print cartridges are included—one black, three color—with access via a single door.

- **Experience hassle-free color printing.** To provide consistent color for the entire life of the print cartridge, HP Smart printing technology enables communication between the HP print cartridges and your printer—triggering adjustments that optimize print quality and reliability. HP SureSupply enables convenient, online ordering of supplies.

- **Increase productivity with flexible paper handling.** With a 250-sheet universal paper tray included and optional 250-sheet second tray, you’ll have all the paper you need for daily office printing.

Performance and reliability

- **Take advantage of HP technology.** Achieve superior print quality with HP ColorSphere toner and HP ImageREt (Resolution Enhancement technology) 2400—a suite of innovative capabilities. HP ColorSphere toner is designed together with HP-engineered fuser technology in the printer to provide crisp detail and consistent color—automatically and easily.

- **Count on seamless performance.** The printer has built-in support for the Microsoft® Windows® operating system and Windows-based applications. A 264 MHz processor and 16 MB of memory enable your home or small business office to print complex color documents without a hitch.

- **Make a lasting impact.** Add color to your documents and take advantage of built-in support for HP specialty and everyday papers. Designed especially for HP Color LaserJet printers and HP Color LaserJet printing supplies, HP Color Laser Glossy Photo Paper has HP proprietary coating on both sides for producing professional-quality, high-gloss images.

- **Relax with award-winning customer service and support.** HP backs the HP Color LaserJet 1600 printer with a one-year limited warranty; fast, knowledgeable online e-Support available 24/7 at www.hp.com/support; and easy-to-access phone support. Plus, you can enhance your warranty protection with the purchase of affordable HP Care Pack Services. HP printing and imaging systems help you create powerful, professional communications easily. The printer, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

1. 125-sheet output bin
2. One-door access to the four easy-to-install print cartridges
4. Optional 250-sheet input tray 3 for a 500-sheet total input capacity
5. Two-line, LCD control panel provides instant printer status and supply levels
6. 16 MB of printing memory and a powerful 264 MHz processor perform complex tasks quickly
7. Hi-Speed USB 2.0 port
Create professional-quality color and black-and-white documents quickly and affordably. Count on proven HP technology, reliability, quality, and service for all of your home or small office printing needs.

**Color communicates more effectively**
Statistics show that color improves comprehension, increases readership, accelerates learning, and reflects a professional image. No matter what your business creates, you can’t afford not to use color. Print in color to produce more effective internal communications, including memos, e-mail, and spreadsheets. Create external communications in color for a professional appearance, such as reports and proposals, letterhead and business cards, and presentation handouts. Develop full-color attention-getting marketing collateral that differentiates your business from the competition, such as brochures, flyers, and ads.

The HP Color LaserJet 1600 printer easily and affordably brings the advantages of high-quality laser color to your business.

**Superior HP print quality**
The HP Color LaserJet 1600 printer features an enhanced version of HP ImageREt 2400, a suite of innovative technologies HP developed to provide high-quality color documents and images. These color laser technologies include HP ColorSphere toner, HP Smart printing technology, and high resolution imaging.

The HP Color LaserJet 1600 printer is designed together with the new HP ColorSphere toner and HP papers to provide optimized printing results. Your prints will shine with gloss and a dynamic range of color. The new HP ColorSphere toner features gloss levels that are significantly improved over previous HP color toners when printing on glossy paper. Improved fusing technologies work in sync with the new toner for brilliant, intense colors every time you print.

Use HP color laser glossy papers for the best results when printing images. The enhanced HP ImageREt 2400 system is designed to deliver consistent print quality regardless of the printing environment with intelligent, automatic color calibration.

**Maintain your business, not your printer**
Designed with ease-of-use, real-time status, and supplies management features, the HP Color LaserJet 1600 printer delivers high-quality color, while lowering your total cost of ownership by minimizing printer downtime.

- HP Smart printing technology monitors and automatically adjusts print cartridge characteristics to ensure consistent print quality throughout cartridge life.
- HP SureSupply helps you conveniently order via the Internet when supplies are low.
- There are only four easily-replaceable supplies for effortless printer maintenance.
- The two-line, 16-character LCD control panel provides printer and supplies status at a glance.
- The HP Color LaserJet 1600 Toolbox provides easy remote access to printer settings, status information, the user’s guide, and self-help and troubleshooting tips.

HP’s commitment to reliability lowers your labor costs by virtually eliminating employee downtime due to troubleshooting and printer servicing. In fact, HP recently won its 14th award in a row from PC Magazine’s “18th Annual Reader Satisfaction Survey.” Readers evaluated printer manufacturers on a variety of criteria, including reliability and the quality of technical support.

**Award-winning HP support**
HP’s expert knowledge will help you make the most of your printer and ensure your equipment is running at peak efficiency. Start with a one-year, limited hardware, return to authorized service center warranty, backed by free telephone and Web support from the award-winning HP Customer Care. To further guarantee trouble-free operation, upgrade your printer with extended service and support options.
